BIOGRAPHY

DONALD BRADLEY was appointed to the Newark Municipal Council in January of 1989, by a special Council vote, to succeed South Ward Council Member Donald Payne. He was elected at a Special Election in 1989 and re-elected to his first full term in 1990.

For more than twenty five years, Donald Bradley has devoted his life in service to Newark and its people. As a teacher, recreation specialist youth advocate, community activist and municipal official, he has concerned himself with the everyday lives of the people who look to him for leadership. Born and raised in Newark, the Councilman graduated from West Side High School, where he earned both All-City and All County basketball and cross country honors. He attended Winston Salem State University in North Carolina, distinguishing himself on their basketball team; and later served a tour of duty with the United States Air Force.

Councilman Bradley began his career in public service as a Program Director for the Salvation Army and the Summer Youth Employment Program. He has lent his talents to the Newark Board of Education's After School Recreation Program and Project Tear, as a Coordinator. He also served as Director of Recreation of the Chancellor Avenue Annex and a teacher at Robert Treat Elementary School, Dr. Martin Luther King, Jr. Elementary School and Sussex Avenue School. In addition to his work as an educator, the Councilman has considerable experience as an anti-drug counselor. Prior to joining the Municipal Council, he made significant contributions to Barringer Preparatory School, as a substance abuse coordinator.

His leadership has been solidified through several positions in the community: He is the President of Weequahic High School PTSA,

Executive Director of the Weequahic Father's Club, served as the Chairman of the Newark Alcohol Beverage Control Board, and is the former Youth Coordinator of the New Jersey State Baptist convention.

He also serves as Vice Chairman of the Board of Concerned Citizens at the University of Medicine and Dentistry of New Jersey, Director of the Chancellor Avenue School Annex Volunteer Recreation Program, and sits on the United Hospitals Advisory Board, State Baptist convention.

The Councilman is a member of the Newark Branch of the NAACP, the Parent Council on Drug Abuse, the Task Force on Teen Pregnancy, Newark Teachers Union, The University of Medicine and Dentistry of New Jersey Joint Conference Planning Committee, the North Jersey Industrial Arts Association, and the Newark Paddle Ball Association. His athletic ability was honored and recognized when he was inducted into the Newark Athletic Hall of Fame.

His sensitivity to the community is reflected in his Council Committee assignments. Councilman Bradley is Chairman of the Affirmative Action Committee, Public/Private Housing Committee, the Day Care Committee, the Real Property / Land Use Committee, Education Committee, Committee on the Office of Children and the Towing Committee.

A member of the First Baptist Church of Nutley, New Jersey, Councilman Bradley resides at 71 Keer Avenue in Newark's South Ward, with his wife Janet, and four children: Karen, Heather, Craig and Donald Jr.
